MEMORANDUM FOR ALL PERSONNEL

FROM:

25X1

SUBJECT: SPECLE printouts (U)

1. Before ordering a special SPECLE printout from SSC, please make a personal check of the Center's Master printout. If your list of accesses would add up to only two or three pages, go ahead and make your own copy from the master. This will save the time and expenses required to crank up a special report. (U)

2. When ordering a printout, or in making your copy, be sure to ask for all Studies, in addition to the usual Project accesses. (U)
